## SOFTWARE PACKAGES

### RMH

Retail Management Hero™ (RMH) is a complete point-of-sale (POS) solution that enables retailers to efficiently manage all their back office and POS activities. Packed with functionality to optimize inventory management and remove the guesswork from purchasing decisions, RMH is a standalone software system that helps small to medium-sized store chains improve business intelligence (BI) while operating smarter and faster throughout the entire retail environment

- ◆ Versatile for a Wide Variety of Retail Models
- ◆ Intuitive & Easy-to-Use

### COMICSUITE™

Diamond's *ComicSuite* is a customized add-on module of software options that integrates with RMH to create a POS system specifically geared toward the specialty market retailer. Besides offering all the great functions of RMH, *ComicSuite* has been designed from the ground up to interface with Diamond's product information and item code structure, a feature that will facilitate both initial orders and reorders through a Web-based interface. Retailers will also have access to the latest data from Diamond, including **PREVIEWS** descriptions and graphics, as well as specific ordering information.

est data from Diamond, including **PREVIEWS** descriptions and graphics, as well as specific ordering information.

- ◆ Makes Special Orders & In-Store Subscription Services Effortless
- ◆ Generates Cycle Sheets, Shortages/Damages Reports & More
- ◆ Simplifies Ordering & Importing Diamond Data

The following software choices allow Diamond's customers to customize their POS systems to meet each store's unique needs.

# Earn Up to \$6750 in Free Backlist Merchandise by Purchasing A Point-of-Sale System from Diamond!

www.comicsuite.com

► Thanks to a generous program sponsored by Diamond and its suppliers, you can receive free backlist merchandise when you purchase a Point-of-Sale (POS) system or POS software from Diamond.

- Earn **\$6750** in free backlist by purchasing a Total Point-of-Sale Package that includes hardware and software.
- Earn **\$3625** in free backlist by purchasing Retail Management Hero™ (RMH) and our innovative POS software add-on, ComicSuite™.

*"ComicSuite has reduced what used to take me 15-20 hours down to about 15 minutes each week. No more manual cycle sheet counts, bar code entry, or manual receiving for me! The automated Shortage/Damage reporting and order tracking make staying on top of inventory statuses a breeze." – Daniel McAbee owner Tangled Web*

*"First and foremost, you've got to get a POS system to get your store out of the 'dark ages,'" said Josephson. "[Using ComicSuite] is like turning the light switch on; the world changes." – Rob Josephson from Mayhem Collectibles*

**Plus ask about our subsidies for retailer store expansion.**

The selection of in-stock graphic novels and merchandise in this program are brought to you by some of the industry's top vendors, including:

For more information on the subsidy program, or to purchase RMH/ComicSuite, email techposhelpdesk@diamondcomics.com or call (443) 318-8001 and ask for a POS Specialist.

### HARDWARE BUNDLES

Select a hardware bundle and all of your software and device drivers for your POS system will be pre-loaded before delivery. Individual hardware components are also available for purchase; please call for pricing.

**All Hewlett-Packard components! Includes FREE on-site HP warranty program!**

**PREMIUM  
Hardware Bundle  
\$5650.00**

The best just got better with this fully integrated, high-speed point-of-sale (POS) system which includes the latest software and a new HP RP9 All-In-One PC with a touch-screen. This updated bundle features a sleeker design, with a larger widescreen monitor and Windows 10 preinstalled. To provide excellent performance, it includes a solid state drive (no moving parts) with 128GB of storage space, an Intel i5 processor, and 8GB of RAM. It also includes a 7-inch customer-facing LED pole display that can be used for marketing to your customers along with the current transaction details. The package also comes with a receipt printer and paper, cash drawer, and a handheld barcode scanner with stand.

**ADVANCED  
Hardware Bundle  
\$4650.00**

This system includes everything a specialty market retailer needs in a point-of-sale (POS) system. This bundle includes the MP9 PC from HP, which is equipped with the Intel i5 processor, 8GB of RAM, and a 500GB disk drive to provide plenty of power, storage, and speed! Also included in this package are a separate touch-screen monitor, cash drawer, receipt printer and paper, customer-facing LCD pole display, and a handheld barcode scanner with stand.

Bundles include a discount off the price if hardware was purchased individually.  
A 5% discount will be applied to any peripheral devices (scanner, additional receipt printers, cash drawers, etc.).
